

Dowdeswell Rollermower

Cuts up to 5" of grass, preferably in 2" increments. Chops cuttings into short lengths and gives full width distribution.

Runs on rollers front and rear with floating top link to help avoid scalping, cuts over curb edges and pathways. High cutting speed in forward and reverse up to 8 mph.

Ideal for golf courses, sports pitches, kerb sides, caravan sites, etc. where fine finish is required.

TRADING TERMS AND CONDITIONS OF SALE

DEFINITIONS

"The Company" means Dowdeswell Engineering Co. Ltd.
"The Customer" means the person, firm, company or organisation whose order for goods is accepted by the Company.

GENERAL

All quotations and orders accepted by the Company are subject to these terms and conditions of business.

VARIATIONS

The Company's policy is one of continuous development and improvement. Accordingly descriptions, specifications, prices, sizes, weights, etc. shown in price lists, leaflets, etc. are subject to change. Final specification on equipment (including price and terms), will be contained in our order acknowledgement.

PRICES

All previous price lists are cancelled.
Prices quoted for equipment include carriage to dealer's premises or Dowdeswell depot in mainland Britain only. Where carriage is extra this will be quoted upon request and shown on the order acknowledgement. Special packing is chargeable as an extra. Spares prices may be found in spares price lists and Special Offer lists, which are issued from time to time. Prices are exclusive of VAT, and are shown in £ sterling. All equipment is supplied at the price ruling at the date of despatch unless otherwise stated.

PAYMENT TERMS

Unless otherwise agreed in writing, payment is due as follows:
All equipment strictly nett monthly unless otherwise agreed.
Spares strictly nett monthly, i.e. payment is due by the end of the month following the date of the invoice.

TITLE

(A) All goods shall be at the customer's risk as from delivery although property in the goods shall not pass from the Company until the customer shall have paid the entire contract price (inclusive of VAT) in respect of the goods.

(B) Pending property in the goods passing to the customer, the customer shall hold the goods and each of them in a fiduciary capacity as bailee for the Company. If required by the Company the customer (at its own expense) shall store the goods separate from all other goods in its possession and mark the goods so that they are clearly identified as being the Company's property.

(C) The customer shall be entitled to sell the goods in the ordinary course of business before property in the goods has vested in the customer on the following conditions:

- If the customer sells the goods the proceeds of such sale shall be held by the customer in a fiduciary capacity on trust for the Company and the customer shall have no beneficial interest in the proceeds of sale and the customer shall, if so required by the Company, further place the same in a separate designated bank account and
- If the customer sells any goods to which the goods have been affixed or to which they have been incorporated then that part of the proceeds of such sale as represents the unpaid price of the goods held in trust for the Company shall be held by the customer in a fiduciary capacity on trust for the Company and shall, if required be placed in a separate designated bank account.

(D) The Company shall be entitled to recover the price (plus VAT) notwithstanding that property in any of the goods has not passed from the Company.

(E) Until property in the goods passes from the Company to the customer then the customer shall upon request and at its own expense deliver up the goods as have not ceased to be in existence or resold and if the customer fails to comply with such request the Company may enter upon any premises of the customer where the goods are situated and repossess the goods and in which event the rights of the customer as set out in sub-clause (C) hereof shall cease.

(F) The customer shall not pledge or in any way charge by way of security for any indebtedness any of the goods which are the property of the Company and without prejudice to the other rights of the Company in the event of the customer so doing all sums whatever owing by the customer to the Company shall forthwith become due and payable.

(G) The customer shall at its own expense insure and keep insured the goods to the full price against all risks to the reasonable satisfaction of the Company until the date the property in the goods pass from the Company and shall, if requested by the Company produce to it a copy of the policy of insurance.

CLAIMS ON DELIVERY

The Customer must notify the Company in writing within 7 days of receipt of goods of any damage, shortages or errors in delivery. Non receipt of goods must be notified within 14 days of invoice date. The Company reserves the right not to honour claims not made within the above time limits.

RETURNS

No goods will be accepted for credit by the Company without prior permission in writing. Any goods that are accepted for credit shall be returned to the Company at the Customer's expense and will be subject to a handling charge.

WARRANTY

Should defective material and/or workmanship used in manufacture give rise to failure, the products themselves or the components and sub assemblies affected, will be replaced or repaired free of charge during the first 12 months. The fitting of non Dowdeswell parts, or repairs, or modifications carried out by unauthorised persons may invalidate the warranty. No major work to be undertaken without prior consultation with Dowdeswell Engineering Co. Ltd. Save to the extent covered by the warranty, the Company shall not be liable in any circumstances for any loss, injury or expense, whether direct or indirect, which may arise for any reason whatsoever from any defect in or otherwise in connection with any goods supplied or work done by the Company.
